

One Source. One Solution.

Completing the Insurance form

- ❖ Please initial in the box confirming you accept our terms and conditions

- ❖ Then let us know by marking YES or NO to needing insurance – even if you do not need insurance please complete the signature portion of the document, we must have this on file to show you did not want insurance through ICECORP.

- ❖ Please then tell us the description of the goods

- ❖ Then which mode of transport you are insuring, this could be one or all

- ❖ In the next section please let us know which services you would like covered by insurance, keep in mind that even if your shipment is damaged you will most likely be charged and by marking these options you ensure that you can claim this back.

- ❖ Lastly please complete your company name, address, your name, your title, print your name and then sign the document.
